## **MCDONALD'S® IS SERVING UP TECHNOLOGY AND RAISING DOLLARS FOR ZIONSVILLE COMMUNITY HIGH SCHOOL BASEBALL AND SOFTBALL**

### **WHAT:**

McDonald's® in Whitestown, is transforming the customer experience with technology upgrades, table service and modern decor. At 10 a.m. on Saturday, December 7th, the restaurant located at 6235 S. Heartland Drive, Whitestown, Indiana will celebrate a modernized look featuring self-service kiosks, table service and more.

In celebration of the grand re-opening, the restaurant will host the Zionsville Community High School baseball and softball teams for a fundraising competition. "We're excited to host both teams", said James Poore, McDonald's Owner/Operator. "We have supported the ZCHS Softball team for many years, and Coach Garrett thought the team would have fun competing against the baseball team to see who could raise the most funds."

"We want to support the schools in communities where we do business, and help them achieve their goals", said Poore. In 2019, McDonald's restaurants owned by the Poore Organization, had employees receive almost \$50,000 for McDonald's tuition assistance at secondary accredited schools. "We would love to see that number grow ten times in 2020", said Poore.
